

Acme Corp Employee Handbook

Sample document for the RAG demo

1. Welcome

Welcome to Acme Corp! This handbook describes our company policies. It is provided as a sample document for the RAG demo. If you have questions that are not covered here, please contact the People team at people@acme.example.

2. Working Hours

Standard working hours at Acme Corp are Monday through Friday, 9:00 AM to 5:00 PM in your local time zone. We support flexible schedules: as long as you cover at least four hours of overlap with your team's core hours and meet your commitments, you may shift your start and end times by up to two hours.

3. Paid Time Off (PTO)

All full-time employees accrue 20 days of paid time off per calendar year, plus 10 company holidays. PTO accrues at a rate of 1.67 days per month. Unused PTO may be carried over to the following year up to a maximum of 5 days. Requests should be submitted in the HR portal at least two weeks in advance for absences longer than three days.

4. Refund Policy

Customers may request a full refund within 30 days of purchase for any reason. Refund requests submitted between 31 and 60 days after purchase are eligible for a 50% refund. After 60 days, purchases are non-refundable except where required by local law. To request a refund, customers should email refunds@acme.example with their order number. Refunds are processed within 5 business days to the original payment method.

5. Expense Reimbursement

Employees may be reimbursed for business expenses including travel, client meals, conference fees, and approved equipment purchases. All reimbursable expenses must be pre-approved by a manager when they exceed \$200. Receipts must be submitted via the Expensify integration within 30 days of the expense. Reimbursements are paid out with the next payroll cycle.

6. Remote Work

Acme Corp is a remote-first company. Employees may work from anywhere in a country where Acme has an established legal entity (currently: USA, Canada, UK, Germany, India). Employees who wish to work from a country where Acme does not have an entity for more than 30 days per year must obtain prior written approval from the People team and the Legal team.

7. Information Security

All laptops issued by Acme must have full-disk encryption enabled and an automatic screen lock set to no more than five minutes of inactivity. Multi-factor authentication is mandatory for all company accounts. Confidential customer data must never be copied to personal devices or personal cloud storage. Report suspected security incidents immediately to security@acme.example.

8. Code of Conduct

Acme Corp is committed to providing a respectful, inclusive workplace. Harassment, discrimination, and retaliation are strictly prohibited. Concerns may be reported confidentially to the People team or anonymously via our third-party ethics hotline. All reports are investigated promptly and in good faith.

9. Acknowledgement

Receipt of this handbook does not create an employment contract. Acme Corp may revise these policies at any time. The most current version is always available on the internal wiki at wiki.acme.example/handbook.
